TITLE	<i>Elevations (1)</i>
LOCATION	Los Angeles, California
DESCRIPTION	<i>Elevations (1)</i> is an illuminated sculpture with a corresponding Venetian plaster wall drawing. The white and black wall drawing mimics the curves of the sculpture and was applied using a stencil. In contrast to the precision of the lines, a distressed finish was chosen for the wall's surface. A metallic silver powder was added to the wall to create a silver sheen. The reflection of light on the wall's surface illuminates the sculpture and enhances the visual interaction between the two elements.
