

Project Data Sheet

Narragansett, Rhode Island

Title Schooling

Location Narragansett, Rhode Island

Description Composed of abstract forms that reference the hull of an ocean vessel or the body of a fish, Schooling takes inspiration from its orientation in the Graduate School of Oceanography's main atrium space opposite Narragansett Bay. Comprised of four separate forms, the sculpture's layered forms repeat and aggregate into a wedge-like massing of more than two hundred individual sculptures evoking the schooling habits of fish.
