

## Project Data Sheet

*St. Paul, Minnesota*

**Title** Kellogg Mall Park

**Location** St. Paul, Minnesota

**Description** Originally built in 1931, Kellogg Mall Park is a four block long park along the Mississippi River in downtown St. Paul. Working with the Department of Parks and Recreation and the community, Cliff Garten Studio instigated the development of a site dealing with the early history of the City. The sculpture and site planning were done in collaboration with a writer and another visual artist alongside the Department of Parks and Recreation.

**Date** 1990

**Medium** Granite, bronze, concrete, steel, brick, planting

**Dimensions** St. Paul Department of Parks and Recreation

**Commissioned by** Public Art St. Paul, Public Art Administration

**Engineer** St. Paul Department of Parks and Recreation
